MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT : Foreign Intelligence Plans for FY 1964

REFERENCE : (a) Memorandum for USIB, Analysis of Foreign Intelligence Plans and Programs for FY 1964, dated 22 October 1962

(b) Memorandum for DD/R from DD/I, dated 29 October 1962, same subject (DD/I-2411)

1. In accordance with your request, we have reviewed reference (a) insofar as it applies to activities under the cognizance of the DD/R. Particular emphasis has been paid to paragraph 2 of Part I on ELINT activities, and detailed revisions to this section are forwarded herewith. However, it is important to note that this section as submitted was factually in serious error. To our knowledge we find no evidence that representatives of the Coordination Staff were in contact with, or discussed this material with, the people in CIA responsible for these programs. This slipshod method of preparing a report without consulting the responsible people seems to me to be a waste of everyone's time. I would suggest you call this dereliction to the attention of the Assistant for Coordination in the hope it will not be repeated in the future.

2. Paragraph 4 of [REDACTED] transmittal memorandum to USIB which deals with the NRO is in accordance with an arrangement which was worked out between myself, Dr. Charyk and [REDACTED] 25X1A
